CONCRETING & ROOFING.

Having a new and improved process for mixing and laying Concrete, I am now prepared to lay it on Walks, Driveways, Street Crossings, Cellar Bottoms, Stable and Carriage-house Floors, &c., in a superior manner. Old Concrete Walks repaired and made as good as new.

I also continue to do all kinds of Roofing, as usual. Particular attention paid to painting Shingle Roofs with my Fire and Water-proof Paint (any color), which will preserve the shingles for many years.

I wish to call particular attention to my **Elastic Roofing Concrete**, one coat of which applied to a roof, whether shingle, gravel, felt or tin, will make it perfectly tight. I have applied it to old, flat, decayed shingle roofs, and made them perfectly tight. It will not crack in the coldest weather, nor run in the very hottest weather. It is durable and fire proof, and costs less than any other good roofing in use. I am prepared to cover new roofs, or repair old ones, with this material, and WARRANT them perfectly tight, at a reasonable price.

I also manufacture **Black Varnish**, especially for Iron. It has been used for several years on Iron Fences, Iron Roofs, Boiler Fronts, Boat Bottoms, &c, and gives general satisfaction. Painters can be supplied with this Varnish by the gallon or barrel at a reasonable rate. My Roofing Paint and Elastic Concrete is also for sale by the gallon or barrel. All orders for laying Concrete Walks, Roofing or Paint will be promptly attended to by addressing

THE SALEM GAZETTE

— AND —

Essex County Mercury.

THE SALEM GAZETTE

[ESTABLISHED 1768.]

Is Published on Tuesday and Friday Mornings,

For \$3.50 Per Annum, Paid in Advance.

Or \$4.00 if paid Semi-Annually NOT in Advance,

THE ESSEX COUNTY MERCURY

Is made up from the reading matter of the Salem Gazette, and published as a weekly edition of the Gazette, for \$2.00 per annum in advance, or \$2.50 otherwise.

— TO ADVERTISERS. —

The SALEM GAZETTE is circulated mainly in Salem; the ESSEX COUNTY MERCURY principally out of Salem, in the County of Essex. Every new advertisement in the Gazette has an insertion also in the Mercury, without additional charge. There is not a city or town in Essex County, where the Gazette or Mercury is not taken. In Beverly, Marblehead, Peabody, Danvers, Middleton, Lynnfield, Wenham, Hamilton, Ipswich, Rowley, Topsfield, Georgetown, Boxford, Essex, Manchester, and even in several of the towns more remote from Salem, the circulation is large. Every new advertisement is placed before about 3,500 subscribers. There is scarcely a month through the year when the circulation is not at times in excess of this. As both the Gazette and Mercury are largely sent into distinct families, and are largely EXCHANGED with other families in country neighborhoods, we presume it is a fair estimate to say that these papers have full *twenty thousand distinct readers* every week.
