AGENT FOR HAMPDEN CREAM

WHAT is Hampden Cream? It is a pure extract of the fats of the milk. Though yet in its infancy hundreds of gallons are used and sold, when a year ago now none were used. It is as cheap and far superior to milk. The chemical process it undergoes makes it pure and kills all the germs of disease. Impure milk is the cause of all infantile diseases. If you would save your little ones from that child destroyer cholera infantum, use the Cream. For sale in all the principal markets and of the agent at 40 Boardman street, where all orders will be promptly attended to.

GROWING FOR 126 YEARS.

The Oldest Newspaper but one in New England.

The Salem Daily Gazette

— AND —

Essex County Mercury -- Weekly.

The Paper for the Home and Family.

THE SALEM GAZETTE'S enterprise was first shown in 1768, over 126 years ago, when the WEEKLY started. Again it leaped forward in 1796, when it first issued the SEMI-WEEKLY. Both flourished till 1892, when the DAILY was launched, holding the complete patronage of the Semi-Weekly, and jumping to the front as the favorite Daily newspaper of Salem and its large suburban territory. The growth of a century and a quarter of commanding prominence in the whole county, gives a unique character to this DAILY and WEEKLY paper, making both very strong advertising mediums.

THE EVENING NEWS.

Daily Circulation Guaranteed to Exceed 14,000.

The NEWS has been printed fifteen years and in that time has grown to be the leading penny daily in New England, outside of Boston. The progress has been steady and legitimate.

The NEWS has the best reports of local happenings, and also covers the doings of the entire world. It is sold for one cent, and is the popular paper in all classes.

The NEWS circulates in all the towns adjoining Salem, and is an unrivalled advertising medium. In fact, it is impossible to reach the people who trade with Salem merchants by any other medium.
