MARBLEHEAD, MASS.

MARBLEHEAD BUSINESS DIRECTORY.

MARBLEHEAD settled about 1629, incorporated May 2, 1649. Population as per census of 1895 is 7671. Distance from Boston, 18 miles, with which it is connected by the B. & M. R. R., Swampscott Branch, 9 trains daily, and to Salem, M'head Branch, 4 miles, 11 trains daily. Also connected with Lynn, Swampscott, Salem and all contiguous towns by street railway half hourly. Has one of the finest harbors on the coast, and is the yachting centre of New England. Is celebrated for the manufacture of children's shoes. On account of the ease with which markets and trade centres can be reached, skilled labor procured and the delightful climate tempered by the sea-breezes in summer and ocean currents in winter, there are few places offering stronger inducements or better facilities for carrying on a manufacturing business than Marblehead.
