**The Paper for the Home and Family.**

THE SALEM GAZETTE'S enterprise was first shown in 1768, over 128 years ago, when the WEEKLY started. Again it leaped forward in 1796, when it first issued the SEMI-WEEKLY. Both flourished until 1892, when the DAILY was launched, holding the complete patronage of the Semi-Weekly, and jumping to the front as the favorite Daily Newspaper of Salem and its large suburban territory. The growth of a century and a quarter of commanding prominence in the whole county, gives a unique character to this DAILY and WEEKLY paper, making both very strong advertising mediums.

Whole Field.

In May, 1897, The News was forced to enlarge one column to a page making eight columns additional space, on account of the pressure of advertising. This pleasant state of affairs was brought about by the combination of a large circulation with low advertising charges.

The News not only thoroughly covers Salem, but is regarded as the paper by the residents of surrounding places, Peabody, Beverly, Danvers, Marblehead, Ipswich, Essex, Manchester, Wenham, Middleton, Topsfield, Lynnfield, etc., are among the towns where The News has hundreds of readers daily.

It is impossible to cover this part of Essex county if The News is not used.

MR. CHESTER D. HOLMES,

*Dear Sir:*—We are much pleased in every way with our Refrigerator. We can safely say we have the best keeping box in our Town. It has enabled us to carry a large stock, and have lost no meats. We use 1½ to 2 tons of Ice per week. We have dressed and put in hot this week, 25 Lambs, 15 Calves, to say nothing about beef and other meats. Do not know how we got along before. The Corned Beef Tank put in in connection with it has worked finely. Am well satisfied the box will double pay for itself this season in comparison with the old box.

Yours,

B. F. BROWN & SON.
