

# DANVERS STREET AND HOUSEHOLDERS' DIRECTORY

The street directory gives the location of each street and shows what other streets or places run from or across it. The house numbers are given in the left and right hand columns, with the names of heads of families and persons in business, in the order of location.

Houses without numbers are indicated by a — and the dash is also used opposite connecting streets to indicate whether such streets begin or end on the left or right side.

## GENERAL INSTRUCTION

The board of Firewards recommend  
to all persons who may see this  
notice that they make all necessary in-  
quiries to enable them, in case of need,  
to give an alarm or direct others to  
do so. Time saved in this way may  
prevent a conflagration

In giving an alarm, break glass in  
keybox, open door, pull hook down  
once and let go. Remain at box until  
apparatus arrives
