STREET AND HOUSEHOLDERS' DIRECTORY

Copyright 1921 H M Meek Publishing Co., Salem, Mass.

The street directory gives the location of each street and shows what other streets or places run from or across it. The house numbers are given in the left and right hand columns, with the names of families and persons in business, in the order of location.

Houses without numbers are indicated by a — and the dash is also used opposite connecting streets to indicate whether such streets begin or end on the left or right side.
