## DIRECTORY ADVERTISING IS NATIONAL ADVERTISING

### *Your Business on Record All Over America*

**Hundreds of Directory Libraries Can Give Your Advertisement  
National Circulation**

Thousands of your potential customers are visiting the City Directory Libraries of the United States and Canada every month seeking sources of supply and other information. These library locations are advertised and publicized consistently and continually. These libraries are maintained by the Association of North American Directory Publishers through the courtesy of the members who keep them supplied with City Directories as part of their service to the public. Is your product or service properly registered in these

libraries so that those looking for them or it may readily obtain the information desired?

This library system is a sound economic feature that brings your product or service within the reach of millions at a cost to you that is surprisingly low in comparison with proven results.

A folder, descriptive of this huge system of City Directory Libraries, together with a privilege card entitling you to the benefits of free usage, is yours for the asking, on your business letterhead. Apply either to your local Directory Publisher or to
