By FOOTE &amp; HORTON,

*Hale's Building, 223 Essex Street.*

THE SALEM GAZETTE,

[ESTABLISHED 1768.]

Is Published on Tuesday and Friday Mornings.

The large country circulation of the *Gazette*, (including the *Mercury*, in which all new advertisements of the *Gazette* are published,) renders it particularly valuable as a medium for the publication of probate advertisements, sales of real estate, farm products, and other notices of interest to the farming population. Every new advertisement, with its insertion in the weekly edition, is placed before between three and four thousand subscribers in Salem and the neighboring towns. It is our design to make so full a record of general as well as of local news, that a person reading no other paper shall be kept posted in both general and local news. The subscription price, when paid in advance, is \$3.50 per year, or \$4.00, payable semi-annually.

THE ESSEX COUNTY MERCURY.

Or, WEEKLY SALEM GAZETTE,

[ESTABLISHED A. D., 1832.]

Is made up from the reading matter of "The Salem Gazette," and is one of the cheapest and most popular papers in New-England. The subscription price is \$2.00 a year, when paid in advance. The quantity of reading afforded is much greater than is usually found in a newspaper; and, as it circulates extensively in all parts of the County of Essex, particular pains are taken to present all the local matters of the County. "The Mercury" is published every Wednesday morning. The subscription price, when not paid actually in advance, is \$2.50 per year. For strictly advance payment we deduct 50 cents, leaving the price \$2.00 per year.

OFFICE, 223 ESSEX STREET, Hale's Building,  
SALEM, MASS.

**DR. E. D. SPEAR,***So much Celebrated for his Remarkable Cures,***Office, 897 Washington Street,  
BOSTON.**

**A SKILFUL PHYSICIAN.**—We shall perhaps convey no fresh information to the reader when we state that Dr. E. D. SPEAR, No. 897 Washington Street, is one of the most skilful physicians in our city. He has been in active practice for many years, and this includes every variety of disease. He has been particularly successful where other physicians have seemed to fail. All who desire to procure the services of a physician who can be relied upon, should call upon Dr. SPEAR.—*Boston Daily Globe.*

THE advertisement in another column is worthy the attention of the afflicted, in view of the proofs there given of the efficacy of the remedies of Dr. SPEAR in cases of bleeding at the lungs, and other consumptive symptoms. The names of parties are given, some of them accessible to inquirers by reason of their residence in our midst. The office of Dr. SPEAR is at 897 Washington Street, not far from the head of Pleasant.—*Daily Evening Traveller.*

To all who need the services of an experienced, successful physician, we would say, consult Dr. E. D. SPEAR, so much celebrated for his remarkable cures, and you will never regret having taken this advice.—*Boston Herald.*

THE testimony of many persons who seemed fit tenants for the grave, and who now, happily, enjoy the best of health, is proof sufficient of the great efficacy of the medicines and treatment of Dr. E. D. SPEAR, so much celebrated for his remarkable cures. Success has attended the efforts of Dr. SPEAR in a wonderful degree; and astonishing cures are related, the proofs of which are now living, and will only be too happy to testify in behalf of the doctor's skilful treatment. "Consumption's ghastly form" has brought terror to many a stout heart, and defied the skill of many an excellent physician. That Dr. SPEAR has restored to perfect health many suffering from this obstinate disease is an undoubted fact, and the sceptical should be convinced by investigation.—*Watchman and Reflector.*

DR. SPEAR has been in active practice (except a few years spent abroad in perfecting his system of medicine) for more than a quarter of a century, during which time he has treated thousands of nearly all the different ills to which flesh is heir. The great principle in his system is: Discard the use of all mineral medicines, as not only useless, but dangerous. Rely on Vegetable Products entirely.

DR. SPEAR will also refer to James T. Croft, 97 Beverly Street, cured of consumption.

John Ward, 787 Sixth Street, cured of consumption.

Charles W. Doe, of Marblehead, cured of hæmoptysis.

John G. Higgins, of Wellfleet, cured of bleeding from the lungs, fourteen years ago.

Rev. E. H. McKenney, of Lynn.

Mrs. Erving, of West Newton.

Mr. William B. Trask, Pond Street, Ward 16.

Mr. Russell Carruth, 18 East Canton Street, Boston, and many others who have been cured of various diseases which had baffled the skill of other physicians.

MANUFACTURERS AND IMPORTERS OF

**Surgical & Dental  
INSTRUMENTS,**

Besides a complete assortment of articles intended for the exclusive use of the Medical and Dental professions, have always in store, at the lowest prices, a great variety of the following articles, suited to the wants of the general public:

**TRUSSES.**

A large assortment of best patterns from which to select, to meet the requirements of each case. If convenient, persons requiring Trusses should call at our establishment, where they can have a suitable Truss carefully fitted by a competent and experienced person familiar with the anatomy of hernia. When a call in person is impracticable, a careful description should be sent, stating whether the rupture is on the right or left side; also the measure around the person, two inches below the top of the hip bone. If the rupture is at the navel, the measure should be around the body at the navel. **N. B.**—Ladies attended by those of their own sex.

**ELASTIC HOSE,**

For Varicose Veins, Swollen Limbs, and Weak Joints. Of these goods we have several classes of silk and cotton, possessing different degrees of elasticity; the stout silk being usually the most satisfactory. The sizes are full length (of leg), three quarters, half or knee hose, knee caps, and anklets. Unusual sizes made to order. Also,

**Elastic and Spring Abdominal Supporters, Shoulder Braces, Suspensory Bandages, Apparatus for Weak Ankles, Bow-Legs, Club-Feet, Etc.**  
Also, Crutches of various and most improved kinds; Syringes, Rubber Urinals, to wear on the person day or night, for Males and Females; Galvanic Batteries, Hearing Trumpets, Auricles and Conversation Tubes for the Deaf.

Together with many other articles for the use of the SICK and INVALIDS. Also, the largest and best assortment of

**Atomizers and Nasal Douche,**

To be found in the United States. A GOLD MEDAL has lately been awarded us by the Middlesex Mechanics Association, as will be seen from the following report, signed by a leading New England Surgeon and Physician:

"1503. CODMAN & SHURTLEFF, Boston, Mass. One Case Surgical Instruments and Atomizers.

"The Committee have no hesitation in awarding for this superb exhibition the highest premium. \* \* \* The various other instruments for inhalation of atomized liquids, and for Local Anæsthesia, were all apparently faultless, both in design and workmanship. The exhibitors are regarded as more especially deserving of the highest token of merit for having produced nothing except their own manufacture. GOLD MEDAL. (Signed), GILMAN KIMBALL, M.D., Chairman."

# SALEM LEAD COMPANY,

CORRODERS AND GRINDERS OF THE BEST

## Pure White Lead.

The Mills are under the superintendence of Mr. D. G. BATCHELDER. The reputation of his manufactures is already established, they having proved among the

**BEST, KNOWN TO THE TRADE.**

**This White Lead is Warranted Strictly Pure.**

Its Perfect Fineness and Brilliant Whiteness are fully appreciated and its general Excellence has made it the STANDARD LEAD throughout New England.

## LEAD PIPE,

From the very best Pig Lead, of any size or thickness required and Warranted Satisfactory.

## SHEET LEAD.

A new article made (under patent of our Superintendent) by us solely, of 2 1-2 and 3 pounds per square foot, packed on Reels in one continuous length, viz.:

2 1-2 inches, 3 inches and 4 inches wide, for Carpenters and Builders.

6 " " 7 " " 8 " " " Masons, Etc.

5-8 " " " " weighting Window Shade Sticks.

8 1-2 " " wide and 5 pounds and 6 pounds to the square ft. for Plumbers' use.

The convenience and economy of this form of Sheet Lead has already brought it into universal favor, and promises to supersede for the uses above named the Wide Rolls of Sheet Lead.

Although we endeavor to fill all orders promptly, we have found it impossible in Spring and Fall to keep a stock of all sizes on hand, so large is the demand; our patrons are therefore requested to send their orders early, or before they are entirely out, to avoid inconvenience or delay in the fulfilment of the same.

Please see that all packages are marked SALEM LEAD Co., to whom all orders should be addressed.
