

Beverly

Directory

BEN PARENT Stone Mason and Contractor 22 Washington St., - Beverly.

BEVERLY Street and Household's Directory.

The street directory gives the location of each street, and shows what other streets or places run from or across it. The house numbers are given in left and right hand columns, with the names of heads of families and persons in business, in the order of location. Houses without numbers are indicated by a —, and the dash is also used opposite connecting streets to indicate whether such streets begin or end on the left or right side.

ONE ABLE BODIED FLY—loads its feet with six millions deadly germs from most repulsive sources, leaves them on exposed food, and is, thereby, often the direct cause of diarrhoea, dysentery, typhoid fever and tuberculosis in those who eat it. **CHERRY HILL FARM** prevents the breeding of flies on its premises, so far as possible and **protects its MILK absolutely from them.** CIRCULAR, BEVERLY 352.

ONE ABLE BODIED FLY—loads its feet with six millions deadly germs from most repulsive sources, leaves them on exposed food, and is, thereby, often the direct cause of diarrhoea, dysentery, typhoid fever and tuberculosis in those who eat it. **CHERRY HILL FARM** prevents the breeding of flies on its premises, so far as possible and **protects its MILK absolutely from them.** CIRCULAR, BEVERLY 852.

Business Directory of Beverly.

This enterprising and accessible city, located on the picturesque "North Shore," incorporated as a town in 1668 and as a city in 1894, is 18 miles from Boston, and a forty minutes ride on the eastern division of the Boston & Maine Railroad. It is very attractive, either as a place of business or residence. The population is about 18,000. It is connected with Salem and Boston by nearly forty trains a day, and with Salem, Gloucester and adjoining towns by well equipped street railways. The most important industry is the manufacture of women's and children's shoes, which is carried on to a very great extent. Many other important and successful manufacturing concerns are located here. The Board of Trade is pursuing a very liberal and public spirited policy by the erection of buildings suitable for manufacturing purposes, and by other means calculated to induce capitalists and mechanics to locate here and take advantage of the business facilities so abundantly presented.

If you want to reach buyers
of Southeastern Essex County,

you should use the

Beverly Evening Times

The Times is the "HOME Paper"
of the southeastern county.
Its advertising rates are the
lowest of any Essex county
daily and the fact that adver-
tisers who were in the paper's
first issue, are in today and
carrying a larger space, shows that it is
a Trade Producer

A clean, bright newsy paper, one that keeps you in touch with what is going on
in the towns, city, county, state, nation and world.
