C. S. DENNIS, The Magnetic Healer, CURES WITHOUT MEDICINES.

Tumors Removed without the Knife, Cancers Cured without Pain, Cripples Walk and Palsied Limbs take on new Life. All diseases of women cured without exposure or instruments.

As a general tonic to build up and strengthen the system, C. S. Dennis' treatment is almost instantaneous. For diseases of women it is the greatest and best treatment ever given; there is no exposure of the person. For nervous and brain troubles his treatment has never been equalled; for cancers and skin troubles there is no treatment that compares with magnetic treatment, as it is absolutely without pain, and there never was a case of sciatica that C. S. Dennis, the magnetic healer, could not cure.

TO WHOM IT MAY CONCERN.

Haverhill, April 26, 1906.

Dear Sir: A year ago last January I had the grippe, which left my eyes in bad condition, especially the left one. They grew gradually worse until I could not see to read or write.

About three months ago I went to Dennis, the magnetic healer, and in less than a month my eyes were as strong as ever.

Yours very respectfully,
