Dispensary at Residence, 34 Barr St., where Medicines are dispensed at all hours.

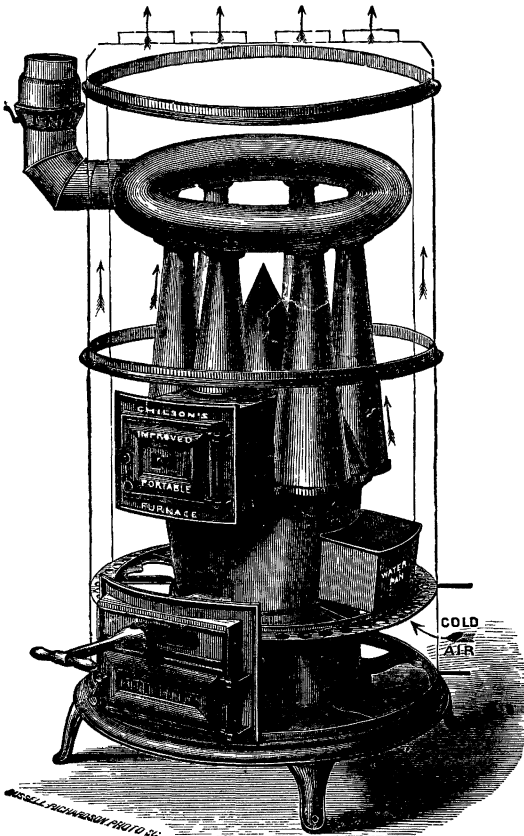

CHILSON'S IMPROVED CONE FURNACE,

Patented in the United States, England, and France.

Ten Sizes for Brick and Portable Casings.

A GOLD MEDAL was awarded to this celebrated Furnace at a recent Fair of the Massachusetts Charitable Mechanics' Association, and the ONLY GOLD medal ever awarded any Furnace by this Association. It has also received another GOLD MEDAL (first premium) at the Middlesex Mechanics' Exhibition, at Lowell, 1867.

This justly celebrated Furnace, now in such extensive use throughout the country, is now in

much greater demand than ever, since the recent improvements have been added. Once seen it must convince every one that it is the most perfect plan for warming buildings in this country. Its wonderful heating power and great economy in fuel have been more fully developed the past two years during the high price of fuel, than ever before—it having proved in many cases a saving of from forty to fifty per cent. over other Furnaces.

Thousands of commendations and references have been received from

Churches, Schools, Hospitals, Asylums, and Public and Private Buildings'

of all kinds, which may be seen on application;

MORE THAN

20,000

OF THE

Chilson Furnaces

Having been sold in the New England, Middle, Southern, Western, and Pacific States,

Canada, New Brunswick, Nova Scotia, and Europe.

Special attention given to the Erection of Furnaces and Ranges, and the Ventilation of Buildings, in any part of the Country.

For sale by the Manufacturer, wholesale and retail,

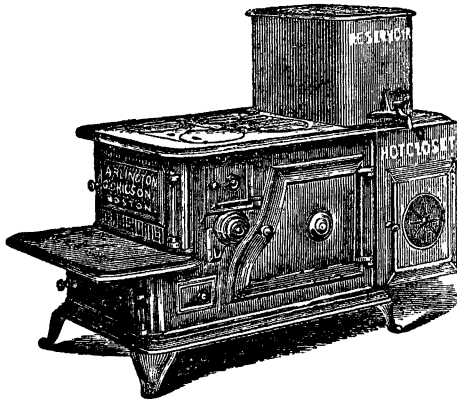

Warerooms, 99 and 101 Blackstone Street, BOSTON.

Or at Foundry, at Mansfield, Mass.

GARDNER CHILSON.

THE ARLINGTON COOKING STOVE.

Chilson's New Stove----Just Completed.

Five minutes examination of this stove will prove it to be the CHEAPEST, NEATEST, MOST CONVENIENT and DURABLE, and in EVERY RESPECT the BEST cooking stove ever made. WITHOUT EXCEPTION, the WATER FRONT FIXTURES for heating water for BATH BOILERS, etc., are the MOST PERFECT EVER INVENTED. Do NOT FAIL to examine this stove before purchasing elsewhere.

A VARIETY OF SIZES WITH or WITHOUT Extension Tops, Reservoirs, Hot Closets, etc., for HARD OR SOFT COAL, OR WOOD, kept constantly on hand.

CHILSON'S PATENT Elevated Double Oven Cooking Range HAS BEEN REMODELLED AND GREATLY IMPROVED.

This Celebrated Range is universally acknowledged to be the most complete and perfect Kitchen Range in America.

No housekeeper who would enjoy the comforts of a really perfect Kitchen Range should fail to examine this before purchasing. Sizes adapted for dwellings, hotels, &c., with or without water-backs, hot closets and hot-air fixtures for heating additional rooms.

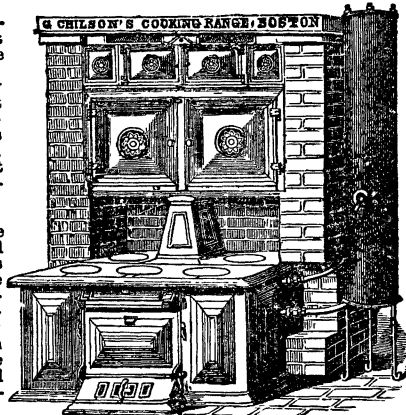

It excels all others:—

1st—In its entirely new principle for circulating the heat around either oven separately, or both ovens as desired. 2d—In its heavy fine castings and thorough workmanship. 3d—In its GREAT ECONOMY IN FUEL. 4th—In its quick and even baking ovens. 5th—In its self-regulating flues, without the usual complication of dampers; and finally, in its general beauty of design, durability, &c.

Also—PARLOR, OFFICE and STORE STOVES, PATENT DAMPERS, REGISTERS, VENTILATORS, etc.

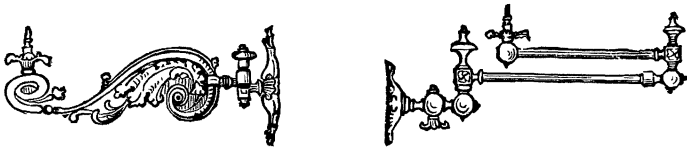

Warerooms 99 and 101 Blackstone Street, Boston.
Foundry at Mansfield, Mass.
