In the large hall in the rear has been arranged the newspapers, pamphlets, and books of reference of the Institute.

The second story has a similar arrangement of rooms. The western ante-room is appropriated to the use of the librarian, and some of the principal works of reference, and the new books belonging to the Salem Athenaeum; the eastern, to the libraries of the Essex South District Medical Society and the Essex Agricultural Society. The alcoves on the western side of the large room in the rear contain the library of the Salem Athenaeum; those on the eastern that of the Essex Institute.
