SOCIETIES AND COMPANIES.**Plummer Hall.**

This building is located at 134 Essex Street. It was erected, in 1856, from funds left by the late Miss Caroline Plummer to the Proprietors of the Salem Athenæum.

The first story is appropriated to the collections of the Essex Institute, and has two ante-rooms, — one of which contains the herbarium, the other the historical collections. A large hall in the rear has been finished expressly for the arrangement of the specimens in geology, mineralogy, and zoölogy.

The second story has a similar arrangement of rooms. The western ante-room is appropriated to the use of the librarian, and some of the principal works of reference, and the new books belonging to the Salem Athenæum; the eastern, to bound volumes of newspapers belonging to the Essex Institute, and the library of the Essex South District Medical Society. The large library room is in the rear. The alcoves on the western side contain the library of the Salem Athenæum; those on the eastern, that of the Essex Institute. The libraries of the two societies number about 35,000 volumes. The Library of the Essex Agricultural Society, containing about 10,000 volumes, is also deposited in this Hall.
