This is my Library.

I visit the library with my parent, caregiver, or friends. I walk when I am in the library.

This is the sidewalk and entrance to the Children's Room. I make sure to stay with my adult in the library. I am respectful of other people at the library.

When I enter the Children's Room, I can say "Hello" to the librarians. I can always ask them for help.

There are lots of fun things to do at the library.

At the library I can find and read a book.

At the library I can play with the toys.

At the library I can play with puzzles, games, and building blocks.

At the library I can use a computer or an iPad.

At the library I can go to Family Circle Time with my family and friends.

Ms. Jennifer leads Family Circle Time and she sits in a rocking chair to read to us. We can sit on a mat or on a chair with our caregiver nearby. We share songs, movement games, and parachute and bubble time!

At the library I can go to the Calm Corner if I need a quiet space for a break.

At the library I can checkout books, audiobooks, CDs, DVDs, puzzles, and games to borrow and take home.

When I am ready to check out my materials, I take them to the librarian at the desk.

I give the librarian my library card and they will scan it and check out my materials for me.

When it's time to leave, I say "Goodbye" to the library. I know I can come back another day!

It's fun to visit the Salem Public Library!
